Dear Christine,

*On behalf of the board, volunteers and staff at the Assaulted Women's Helpline, I would like to extend our sincere appreciation for your interest in our work and for your generous donation to our recent "Celebrate the Women In Your Life" dinner and silent auction.*

This was an important fundraising event for us, and because of donors like you we were able to exceed our goals and quadruple what we raised last year! Thank you for helping to make our event such a success.

Your donation was featured at our silent auction, in our event program, on our website and will be recognized in our upcoming newsletter. It received lots of positive feedback and interest from our guests.

The funds raised from the event will help us to offer our toll-free and TTY telephone crisis line to all women in the province of Ontario who have experienced abuse. We continue to provide counselling, emotional support, safety planning, information and referrals to over 43,000 callers annually with projections of 50,000+ women in the year to come. This critical service allows so many women to reach out for help free of charge in up to 154 languages, 24 hours a day, 7 days a week, assured of their anonymity and confidentiality.

We look forward welcoming Christine's Fitness & Personal Training as a silent auction donor at our third annual "Celebrate the Women in Your Life" event again next year, where we hope raise even more funds and awareness in support of an important cause.

Thank you again for kind contribution and for joining us to help put a stop to all forms of violence in the lives of women and their children.

Best regards,
