Dear Ms. Christine Steiger,

Wow! What a truly unique and enchanting night!! *An Evening in Casablanca Starlight Gala 2004* was a huge success.

Our 700 guests arrived by Limo at the beautiful Liberty Grand, where the ambience and decor were so inviting, warm and exciting. There, they experienced an exotic Moroccan Bazaar with an unbelievable silent auction, enjoyed authentic belly dancers, had their fortunes told, feasted on Moroccan fare, and danced the night away. A great time was had by all.

However, that is not all there is to the Starlight Starbright Gala. The Gala is a very important time for Starlight to introduce and to re-establish ties with the community. This year, we had the privilege of listening to a very strong, remarkable, loving mother from one of our wish families recall the very special role that Starlight played in her family's life throughout her daughter's illness. Her story touched all of our hearts.

With everyone's commitment and contribution, our gala raised over \$500,000. These funds will help Starlight continue to provide special once-in-a-lifetime experiences to critically and seriously ill children, and to further expand many programs in the community including innovative, creative and fun entertainment therapies. This is what Starlight is all about - making wishes and dreams come to life, adding joy and enrichment to the lives of seriously ill children, and making kids' smiles just a little bit brighter.

We would like to sincerely thank you for your kind and generous donation to our Silent/Live Auction. Your donation helped to make our evening a great success and we are forever grateful. With your help, we are able to continue making wishes and dreams come true. On behalf of the Starlight Starbright Children's Foundation Board of Directors, the Starlight Families, and the dedicated volunteers, we thank you for your support, and hope we can continue to count on your support in the future.

Thank you,

Ricki Fenwick
