FAMILY DAY
SATURDAY, SEPT. 27, 2003

Classic Event Coordinators and Bear Creek Wildlife Sanctuary would like to thank all the businesses, individuals, and volunteers who helped make the Second Annual Fundraising Golf Tournament and Family Day a wild success.

Without your help our event would not have been possible.

THANK YOU!

Bear Creek Wildlife Sanctuary is a non-profit organization that has been dedicated to the survival of rare and endangered species for the past 14 years.

The money that was raised on Sept. 26 & 27 will assist Bear Creek Wildlife Sanctuary and their volunteers in the continued care of over 70 wild and exotic animals. It will also assist the sanctuary in building bigger and better enclosures for their growing animal family.

Thank you to all who participated and supported this wonderful cause.
