Dear Christine:

On behalf of the Greater Toronto Area Branch of the Leukemia Research Fund of Canada, we would like to sincerely thank you for supporting this year's Celebrity Waiters Luncheon by providing an auction donation. The feedback received from guests has been extremely positive and by all accounts, everyone thoroughly enjoyed themselves.

Your donation helped raise additional funds through auction sales during the event, and contributed to the approximately \$160,000 raised at this year's event! The funds raised will help the Leukemia Research Fund of Canada continue its focus on funding the most vital and promising Canadian research into leukemia and other blood related diseases. We could not have reached this goal without your support, and for this we are truly grateful!

Once again, our sincerest thanks you for helping make this year's event the success that it was, and we hope we can count on your support again next year!

Sincerely,

Kathy A. Drury
