Dear Ms. Steiger,

On behalf of Mount Sinai Hospital, I would like to thank you for generously donating four membership packages to our second annual **Mount Sinai Hospital Run/Walk for *The Best Medicine*** at Queen's Park, which was held on Sunday, June 20, 2004.

With your help, the event was a great success bringing in over 2,000 runners and their families together for a fun morning of exercise and entertainment. Our Scotiabank Kid's Tent offered parents an opportunity to bring their children for face painting, t-shirt decorating and other fun activities.

Proceeds from the day are being directed to Mount Sinai Hospital's urgent priority programs including our Marvella Koffler Breast Centre.

Once again, my sincere appreciation for your generous support and I look forward to your continued support at next year's Mount Sinai Hospital Run/Walk for *The Best Medicine*.

Sincerely,

Miriam Kumer
