Dear Christine,

On behalf of all of us at Playing with Matches, I would like to personally thank you and Christine's Fitness & Personal Training for your donation to our October 4th event. This year, we grossed \$428,000 from both our May and October events combined. Since 2000, Playing with Matches has raised over \$1.5 million to help fight the battle against cancer at The Princess Margaret Hospital Foundation, one of Canada's leading research and treatment facilities.

The evening was an overwhelming success; fun-filled and action-packed for all our attendees. The matchmaker pre-party, speed dating, mingling games, delicious food and drink, music, firefighter auction, prizes and of course 2000 sexy singles, made for a fabulous night. The evening could not have been the success that it was without your help.

Please find enclosed a copy of the promotional material that was utilized to highlight your donation during the event, and your support of this great cause.

If you would like more information or have any questions about our Playing with Matches, please do not hesitate to contact us at (416) 538-DATE or visit our website at www.playingwithmatches.ca.

Thank you again for your generous support, and we look forward to the possibility of working with you in the future.

Sincerely,

Razor Suleman
Chairperson
